GO_Biological_Process_2021
transmembrane receptor protein tyrosine kinase signaling pathway (GO:0007169)
ephrin receptor signaling pathway (GO:0048013)
enzyme linked receptor protein signaling pathway (GO:0007167)
cellular response to calcium ion (GO:0071277)
axon guidance (GO:0007411)
nervous system development (GO:0007399)
response to calcium ion (GO:0051592)
substrate adhesion-dependent cell spreading (GO:0034446)
cellular calcium ion homeostasis (GO:0006874)
neuron projection extension (GO:1990138)
