GO_Biological_Process_2021
cytoplasmic sequestering of transcription factor (GO:0042994)
cytoplasmic sequestering of protein (GO:0051220)
protein kinase C signaling (GO:0070528)
dorsal/ventral axis specification (GO:0009950)
dorsal/ventral pattern formation (GO:0009953)
negative regulation of DNA binding (GO:0043392)
regulation of DNA binding (GO:0051101)
renal system development (GO:0072001)
kidney development (GO:0001822)
negative regulation of binding (GO:0051100)
