GO_Biological_Process_2021
axonogenesis (GO:0007409)
axon guidance (GO:0007411)
synapse organization (GO:0050808)
nervous system development (GO:0007399)
positive regulation of transcription by RNA polymerase II (GO:0045944)
protein phosphorylation (GO:0006468)
regulation of axonogenesis (GO:0050770)
regulation of microtubule polymerization (GO:0031113)
regulation of anatomical structure morphogenesis (GO:0022603)
regulation of synapse assembly (GO:0051963)
