

GO_Biological_Process_2021

transmembrane receptor protein tyrosine kinase signaling pathway (GO:0007169) -

ephrin receptor signaling pathway (GO:0048013) -

enzyme linked receptor protein signaling pathway (GO:0007167) -

cellular response to calcium ion (GO:0071277) -

axon guidance (GO:0007411) -

nervous system development (GO:0007399) -

response to calcium ion (GO:0051592) -

substrate adhesion-dependent cell spreading (GO:0034446) -

cellular calcium ion homeostasis (GO:0006874) -

neuron projection extension (GO:1990138) -
