GO_Biological_Process_2021
L-amino acid transport (GO:0015807)
vascular transport (GO:0010232)
endomembrane system organization (GO:0010256)
transport across blood-brain barrier (GO:0150104)
anion transmembrane transport (GO:0098656)
serine transport (GO:0032329)
macroautophagy (GO:0016236)
alpha-linolenic acid metabolic process (GO:0036109)
neutral amino acid transport (GO:0015804)
regulation of cell cycle process (GO:0010564)
