GO_Biological_Process_2021
glycogen biosynthetic process (GO:0005978)
glucan biosynthetic process (GO:0009250)
glycogen metabolic process (GO:0005977)
response to hexose (GO:0009746)
negative regulation of I-kappaB kinase/NF-kappaB signaling (GO:0043124)
response to glucose (GO:0009749)
positive regulation of canonical Wnt signaling pathway (GO:0090263)
positive regulation of Wnt signaling pathway (GO:0030177)
regulation of canonical Wnt signaling pathway (GO:0060828)
regulation of I-kappaB kinase/NF-kappaB signaling (GO:0043122)
