GO_Biological_Process_2021
negative regulation of response to food (GO:0032096)
negative regulation of heart contraction (GO:0045822)
negative regulation of meiotic cell cycle (GO:0051447)
negative regulation of meiotic nuclear division (GO:0045835)
negative regulation of heart rate (GO:0010459)
negative regulation of appetite (GO:0032099)
lipid import into cell (GO:0140354)
negative regulation of mitotic nuclear division (GO:0045839)
regulation of meiotic nuclear division (GO:0040020)
positive regulation of blood pressure (GO:0045777)
